

Sample conference

Wednesday, 8 January 2020 - Friday, 10 January 2020

Institute of Mathematics

Book of Abstracts

Here comes some introductory text to the book of abstracts

Contents

About something 2 1

Test talk 3 1

Test talk 1 1

2

About something

3

Test talk

Author: Admin Admin¹

¹ *Institute of Mathematics, NAS of Ukraine*

We speak about everything and nothing like $2 \times 2 = 3$

Theorem *Let $a = 0$ and $b = 1$. Then $a + b = 1$.*
